Newsletter 2  
Week ending 18 June

Welcome!

Since our first newsletter, the pace has really picked up and the registration of your ECTs are rolling in, in preparation for their September start.

Communications from the DfE and Nick Gibb have highlighted to schools the importance of Teaching School Hubs and the latest reforms that are driven by the DfE and key to world class teacher development.

The first dates for mentor conferences across our Wolverhampton/South Staffs, and two Walsall-based cohorts of ECTs (Primary and Secondary) have been fixed with all our upcoming events, including **subject network briefings** involving curriculum hubs and key stakeholder - click on the links below to book your subject leader/departmental places: primary networks start next week! Secondary links to follow.

NPQ details coming very shortly - we just await confirmation from the DfE on which NPQs may be fully funded but details of our NPQ offer in partnership with Ambition Institute is imminent.

## Needs Analysis Workshop

Tuesday 22 June 11-12

Tuesday 6 July 11-1

Needs Analysis workshop with Karl Rogerson, Director of Billesley Research School with our Hub schools:

- A bespoke, fully-funded split session to assist schools in identifying their own professional development needs in a robust, scientific way
- Inform your School Development Plan and SEF
- Inform our PD offer to you for next year
- Email [hgrove@manormat.com](mailto:hgrove@manormat.com) for a place

Mentor Conference dates are set:

Who?	When?	Where?
Wolverhampton & South Staffs Primary Cohort	12 July	Manor Primary School
Walsall Primary Cohort	14 July	Virtual
Secondary Cohort	14 July	Virtual

If you have an ECT (formerly NQT) for September and you wish to register for the Full Induction Programme offered by Manor TSH in partnership with Ambition Institute here are your next steps:

- Email Hattie Grove [hgrove@manormat.com](mailto:hgrove@manormat.com) with the full names and email addresses of your ECTs
- Identify your ECT mentors: a new role referred to in the revised Statutory Induction Guidance from the DfE linked [here](#) and give name and email to Hattie as above
- Decide on who you will use for Appropriate Body service (also available through Manor TSH) for your ECT
- Register your Induction Tutor on the DfE portal - accessed via an email from the DfE received at the end of May/early Jun - to request a resend of the email to your GIAS registered email, click [here](#)
