## Outline of programme

Our NASENCO programme fully meets DfE requirements and equips candidates with the skills and knowledge to successfully coordinate a school's SEN provision. Furthermore, the programme is validated by Bath Spa University and awards 60 credits at Master's level through the Postgraduate Certificate in SEN Co-ordination.

Working at Master's level, alongside others who share your passion for SEN and Inclusion, will sharpen your analytical and evaluative skills and deepen your knowledge of specific specialist areas.

Our NASENCO is achieved through the successful completion of the PG Cert and evidence of the **NASENCO Learning Outcomes** through a professional e-portfolio.

### We offer:
